ARTS FEST

WHAT WE DO

The Pawtucket Arts Festival celebrates the City's creative and cultural life by presenting vibrant arts events throughout the month of September to Pawtucket residents and visitors to the Blackstone River Valley.

We collaborate with local and international producing partners to present dance, music, theatre, film, visual, and folk-traditional arts that evoke the City's historic legacy and diverse communities. Many of our events are free and for audiences of all ages.

Our continuous aim is to ensure a place for the arts in the Pawtucket of tomorrow. Because the arts are essential to vibrant lives, the 2021 Pawtucket Arts Festival will focus on education and public engagement that will amplify our impact and make the arts even more valued, more visible, and more deeply embedded in our communities and in our City.

WHAT IS A BRAND BOOK?

A brand book assists with the correct and consistent use of the Pawtucket Arts Festival logo and graphic identity to ensure that it strengthens the Pawtucket Arts Festival's brand wherever it appears.

It is - in essence - a marketing guide designed for the Pawtucket Arts Festival leadership, production partners, as well as agencies within the City of Pawtucket that are authorized to use logos in creating presentations, collateral, signage, or advertisements for the 2021 Pawtucket Arts Festival.

As one of our valued partners, we ask that you please read this guide carefully to ensure that how you use the Pawtucket Arts Festival logo and brand identity meets our policy. The Pawtucket Arts Festival seeks to create a strong and consistent brand identity system. We welcome any questions you have about applying our requested standards.

This document attempts to clarify and rectify the following:

- Inconsistent and incorrect usage of the Festival logo

USING THE PAF LOGO

PAWTUCKET ARTS FESTIVAL NOTATION

Please note that the Pawtucket Arts Festival logo is the sole property of the Pawtucket Arts Festival and any other usage (i.e. on clothing, promotional items of any sort) is prohibited except where permission has been obtained. To request permission, please e-mail our Festival Director at festivaldirector@pawtucketartsfestival.org prior to production of the items, and include a color JPG of how the logo will be applied, including an indication of which other logos will appear on the same item. Please also give an indication of how many of the item will be produced, and whether or not they will be sold or given away. As a general rule, permission will be granted for use of the logo where it is being used for purposes of promoting a specific production. Where it is being used for commercial (i.e. profit generation) purposes, or to create an association between the Festival and a third-party sponsor, permission will usually be declined. If permission is declined or not obtained for a specific usage of the Festival trademark, and such usage continues, the Festival reserves the right to seek legal remedy for the infringement of its trademark.

LOGO USAGE

The Pawtucket Arts Festival logo is the main visual brand identifier of the Pawtucket Arts Festival and must be displayed on all material such as posters, advertising and collateral material. The Pawtucket Arts Festival logo is designed in a unique colorful namestyle. The Pawtucket Arts Festival namestyle is not a typeface, it is specially created artwork. On color backgrounds the Pawtucket Arts Festival namestyle must always appear in white as shown, unless greyscale is absolutely necessary.

BRAND COLORS

COLOR USING

The Pawtucket Arts Festival brand palette consists of three colors: light blue, light yellow, and light red. The Pawtucket Arts Festival also incorporates three accent colors: blue, yellow and red. Accent colors should be used sparingly.

Best practice is to use only the approved brand identity colors. Our colors have been carefully chosen to work well with our corporate palette. Please don't sample colors. The 'eye dropper' or color sampling tool can be inaccurate on some programs. For best color reproduction, follow the numbers in the color guideline below.

TYPOGRAPHY STYLE

TYPEFACE

Acier and Neris are the Pawtucket Arts Festival typefaces. These font should be used in all material. Both Acier and Neris have a variety of weights that should be fully utilized, with the simple caution that clarity must be the deciding factor. The size of headlines, subheads, and body copy should be scaled in order of importance. All-caps type is used for all headlines and sub headlines. Upper and lowercase is standard for all body copy. When referring directly to the Pawtucket Arts Festival, Pawtucket Arts Festival performances, or Pawtucket Arts Festival participants, the name may be represented in all-caps.
